Derek,

As you are probably aware, I currently book 36 “wow” speakers every year to speak to an audience of C-Level executives and their best clients. I want to personally thank you for yet another amazing presentation! Your professionalism and attention to detail speaks volumes and demonstrates you practice what you preach. Preparation, Creativity and Teamwork resonates with everyone in the business community and hits the bulls eye when it comes to Accelerent and our Partner companies.

Your presentation is high energy, clearly and artfully articulated and when you demonstrate “rocking the car”, I love the reaction from the crowd! The standing ovation was well warranted and I look forward to having you speak for Accelerent in Kansas City, Nashville and all future Accelerent cities, including Indy!!

I hope you had a safe and uneventful trip back home and a happy healthy holiday season.

Michael
