Derek,

Thank you for doing a fantastic job kicking off our 2012 Sales Mtg. I was very impressed with your professionalism and the focus you put into making our event a big success. You really helped elevate our event to the front of the grid. Your keynote was interesting, entertaining and extremely relevant. We couldn't have asked for any more.

Thanks again for really knocking it out of the park at our event. You are an amazing person and I think that you made an extremely positive impact on everyone in attendance.

Regards,

Gary Bolton
Vice President of Global Marketing
