

February 28, 2012

Derek,

Thank you so much for your time and dynamic presentation at our Supplier Summit, Derek! Your session was a perfect kickoff to our meeting and really launching our theme of *ACCELERATE2012*. I've heard great feedback as well on your session. I'm looking forward to getting back our official survey results.

Hopefully our paths will cross again in the future. Best of luck to you.

Thanks again!
