Testimonial Letter

Derek was the closing speaker at our most recent President's Conference and delivered a great keynote address. His messages were perfectly aligned with the entrepreneurial nature of the attendees and he brought a passion and energy that really made a difference at our event. I would recommend Derek for any group that is looking for a speaker. His message is as applicable to employees as it is to entrepreneurs and he takes the time to understand the audience and really deliver a great presentation.

A handwritten signature in black ink, appearing to read "R Popazzi".
